# Aen Feainne

EDIT

This article is part of the [Neververse Expanded Universe](#). Unless you are a [Neververse Sapkowski Scholar](#), enjoy but do **not** edit.

This fan-fiction article was written by [SchoolOfLycan](#) and [Neverwitcher](#). Please do not edit without the writers' permission.

(This version of the Aen Feainne has been tailored to fit the Neverwitcher project. For the original version see [Aen Feainne](#).)

Aen Feainne (Elder Speech: People of the Sun, or Sun Folk), or Aen Feányn in the Zerrikani dialect, are a subgroup of [elves](#) that occupy the Fiery Mountains and their lower steppes in the east and far north of Zerrikania. They wandered to the east during the *Elven Migration*.

## Physical Description

Sun Elves are comparatively darker in complexion than their Aen Seidhe cousins. Due both to environmental factors and to their willingness to mingle with the human populations of Zerrikania, the Aen Feainn range in skin tone from dark olive to bronze-copper. Their hair vary from black, to brown, to red and occasionally, though rarely, blonde and silver. In terms of eye color, they are often described as having 'fírey eyes' in the vein of amber, topaz, and even ruby, but other jewel-tones such as amethyst and emerald are not uncommon. They are as tall as most humans, as well as naturally quite muscular due both to their harsh environment and their unique genealogy. (+1 STR, +1 DEX)
